About the Program

The objective of this Faculty development program is to improve the teaching learning skills, effective curriculum implementation and generate need based creative and constructive manpower through industry institution collaboration.

The goal of any technical institute is to produce skilled globally competent professionals through quality technical education and prepare them for immediate employment. Industries engross these knowledgeable professional and enhance its production capabilities by contributing the latest technology.

To produce proficient graduates ready for industry, it is necessary to know the requirement of the industries through industry -institute interaction. Hence a good and vibrant industry institute interaction to promote education and entrepreneurship is certainly required. To build good rapport between the industry and the institute, institute should have Memorandum of Understanding (MoU).

All the stakeholder, namely institution, Industry, student, and society stand to gain as it can be win-win Partnership. This has led to a positive shift in the thinking towards increased interaction with industries, however the Industry-Institute Collaboration Cell is needed to create a brand value and hence to increase the marketability of the students

**Directorate of Technical Education
Maharashtra State, Mumbai**
sponsored

**One Week Online Faculty Development
Program on**

**Collaborative & Effective
Teaching Learning Process
Through Institute-Industry
Partnership**

21st – 25th February 2022

Organized by

**Department of Pharmacy,
Government Polytechnic, Jalgaon**

About Institute:

Government Polytechnic, Jalgaon is a premier institute of Government of Maharashtra; was established in the year 1960 with basic branches of Engineering and Technology.

Vision

To be a premier institute for transforming learners into competent technicians and pharmacists.

About Pharmacy Department

Department of Pharmacy was established in the year 1964 & approved by Pharmacy Council of India, New Delhi and AICTE. Department has highly qualified, committed and motivated faculty, well equipped laboratories with spacious infrastructure.

Vision

“Nurture Pharmacists, Serve Community”

Mission

- Imparting quality education to meet the needs of industry & community.
- Bringing academic excellence through innovative teaching & learning practices.
- Making students self reliant by nurturing entrepreneurial & employment skills.
- Providing platform for all round development of students & inculcating ethics, values & attitude.
- Providing pharmaceutical care to community & serve them for betterment of their health.

Objectives of Program

After successful completion of FDP participants will be able to:

- ✓ Established interactive Industry-institute cell.
